# How to make a Boomerang Bag

**Sew across pocket**

**Sew pocket on bag**

**Sew the handles**

**Overlock the top attaching the handles**

\* Material right side up

**Overlock the sides**

\* Bag inside out (handles will be inside the bag)

**Straight stitch each side**

\* Bag inside out

**Box corners**

\* Bag inside out

**Twice around top**

\* Bag inside out. Then turn right way around.

## HELPFUL TIP

A loop (using scrap or used binding) is useful to sew on so bags can be held open when used at the checkout.

**Quality Control** — Check the Boomerang Bag is sewn correctly, tidy up the threads and it's good to go!
